

WINNER, WINNER, CHICKEN DINNER!

* THIS VODKA TASTES LIKE VODKA, DOES NOT TASTE LIKE CHICKEN

✪

#1 WE ARE MORE FUN, OBVIOUSLY

I mean... our name is Tastes Like Chicken Vodka! Need we say more?

#2 100% CORN FED

Our American corn blend creates a buttery sweetness & smoothness that is unmatched. Oh, and it's Gluten Free, Sugar Free and Zero Carbs for you healthy folks.

#3 COLUMN & COPPER DISTILLATION

Like a slow-cooked brisket that falls apart at the first bite, our vodka is "cooked" to perfection. Our copper kettle paired with our slow distillation process makes cleaner & better tasting vodka every time.

#4 NO FILTRATION

& No B.S...Vodka doesn't need to be 5x, 6x, or 10x distilled. Our vodka is so clean after copper distillation we don't need to filter it.

#5 IT'S INEXPENSIVE. NOT CHEAPLY MADE.

TLC Vodka is a high quality, affordable vodka. Why is it so inexpensive? Because we're not greedy & we believe everyone deserves to try America's best vodka.

WHAT'S WITH THE NAME?!?

TLC Vodka was named with tongue-in-cheek sarcasm. That's why TLC stands for Tastes Like Chicken. And no, our vodka does not taste like chicken!

We got tired of people telling us "all vodka is the same". Because all vodka does NOT taste the same. In fact, there are many reasons why TLC Vodka is better than others.

Moral of the story is, if all vodka tastes the same, then everything might as well taste like chicken! When you're ready to go against the grain feel free to look at why TLC Vodka really is all it's cracked up to be...

You can't make vodka any better than we make TLC

TLC is copper pot distilled and unfiltered. Our process is the vodka equivalent of slow smoking a BBQ Brisket. TLC is Super clean and Super flavorful.

TLC is inexpensive because we know that as a buyer you need to make good money on a brand to have a natural incentive to sell it.

Otherwise, why would you care. The world doesn't need another vodka... Does it???

TLC's quality relative to its price will be evident to your customers and they will buy it again and again. They will tell other people about the brand because of the name, label, quality, and price.

Let Chicken Pay The Bills.

Cheers!
